Seven Wonders Club Solos Expedition  
December 30, 2009 – January 9, 2010

Join us on this spectacular transit cruise through the Panama Canal. Private parties, dinners, and sightseeing exclusively for Seven Wonders Club Solos included.

### Wednesday, December 30

Embarkation on the *Island Princess*. Bon voyage! Private party tonight for Seven Wonders Solos.

### Thursday, December 31

At sea. Lovely. Tonight, kick up our heels for a grand New Year's Eve celebration!

### Friday, January 1

**Ocho Rios, Jamaica.** The name Ocho Rios means eight rivers, but the one word to describe Jamaica is inspiring. Its sun-drenched canvas of blue-green mountains, white-sand beaches and turquoise waters makes this island nation one of the most wonderful destinations in all of the Caribbean. And, what a great place to start a New Year!

### Saturday, January 2

Another sea day. Wow! Enjoy the fresh water pool, have a massage, sit back and relax. Think about our friends that are snow-bound back home (smile). Private party this evening for Seven Wonders Solos.

### Sunday, January 3

Today we'll transit the **Panama Canal**. One of the great engineering feats of the 20th century, the Panama Canal accomplished what nature forgot to do; it connected the Atlantic to the Pacific, and reduced the 12,000 mile sailing distance between New York and San Francisco by more than 7,000 miles.

Without question, the best way to experience every mile of this magnificent wonder is from the deck of a transiting ship. Ships passing through the locks are raised and lowered 85 feet.

### Monday, January 4

Sea day. Ahhh!

### Tuesday, January 5

**Puntarenas, Costa Rica.** Uniquely situated between two oceans and two continents, Costa Rica is a country without equal. Its tropical landscape of rain forests, pasturelands, lush coffee plantations and white sand coastlines is set against a backdrop of majestic mountains rising as high as 13,000 feet which is why many consider it the Switzerland of Central America.

### Wednesday, January 6

**Nicaragua** is the largest Central American nation and has stunning landscapes, vast cultural treasures, and an intriguing history. Located on the Pacific coast of Southern Nicaragua is a scenic fishing village named San Juan del Sur. Its bay possesses beautiful white-sand beaches and ecological richness.

### Thursday, January 7

**Huatulco.** This small beach and fishing village is perfectly situated at the foothills of the Sierra Madre and the Pacific coastline, providing over 20 miles of unspoiled beaches to explore. For an unforgettable adventure, go in search of the secret coves and hidden lagoons within its nine bays. These nine bays bordered by 36 golden-sand beaches form the beautiful Las Bahias de Huatulco in the state of Oaxaca.
